I was never transferred, notwithstanding, but at the instance of Genl. Lemelson was ordered by Genl. Polk, in command of the Corps to which I was attached, to report to Genl. Lemelson at this place.

I found Maj. Glavin, upon my arrival, filling the position of Chief Dr. Master of the Department, to the entire satisfaction of the authorities at Richmond, as well as of the authorities of the Department.

Hon. Gen. Bates Brig. General
Dir July 28th 1863

Genl. S. Cooper
A. S. I. C.

General

I had a private communication
from July 14th 1863 to the Department, reciting my
appointment as Major Quarter Master, and assign-
ment to duty to the late Brig. Genl. Denslow on the
4th October 1862 (having been in service previous from
the 21st July preceding) and enclosing copies of
the Orders under which I had acted up to the
date of that communication. Showing also
that at that time, having been ordered to report to
Brig. Genl. Bates, I had been assigned to the duty
of a Q. M. S.; and asking to be transferred
from the Dr. Master's Department, to the Adjutant's
& Inspector's permanently.

Yesterday this communication was returned to me
through the regular channels with the endorsement:
"The assignment to duty in the Adjutant's Depart-
ment was irregular - not the appropriate duty
contemplated by Paragraph 1 General Order
No 48 (Last Series)"

I present the question whether my case falls
within the rule of Paragraph 1 section 5 D. C.
No 70 Current Series, and if under Part II
III Reg. my commission with the Confederate
Service terminates on the 31st July next, because
of the want of assignment to duty; when the

believe thus, that I have been regularly
acting under orders, from the moment of my
commencing with the service - whether assigned
to "appropriate duties" or not, being a question
which it was not my province to determine.

It has been my desire to serve
the Country, in any capacity, in which my
knowledge ability would contribute most to its
benefit - and have had no voice in de-
termining the line of duty, in which that ca-
pacity should be exerted; but have promptly
obeyed orders from my superiors.

If under the laws and regulations
of the Department, I cannot be continued
in the Adjutant's Department, which I
greatly prefer - I respectfully ask to be
assigned to duty as Quartermaster.

I have the honor
to be General
Your obedient servant

Genl Bate

As per the appointment
of Bate as Brig Genl
to command of A. S. B.

28th of March 1862
to the point of the mountain at 6. 30.

Genl S Cooper
A. A. S.
Richmond
General.

I have the honor to learn that on the morning of the 20th ult. in the late battle of the Shiloh campaign, my Adjutant Capt. H. H. Quincy was severely wounded, which will undoubtedly keep him for many months, if not entirely for active service. It would also state, that in the same engagement, a lot of killed & wounded, in my Division of officers, bearing in several instances but no officers in a company.

Under existing circumstances, having no supernumerary officers, from whom a report may be made for temporary duty in the Adjutant's Department; I respectfully ask the appointment of Mr. W. W. Winkler to that position, and that he be ordered to report to me.

Mr. Winkler was on the 4th October 1861 appointed Maj. 2^d Mass. (having been appointed July from the July preceding) and ordered to report to Genl. Dimick, which position he filled until the 1st day of May last; when having been ordered to report to me, I assigned him to the duty of A. A. S. temporarily. This not being in the opinion of the Secretary of War, an assignment to "such other appropriate duties" as was required by General Grant. He was on the 20th of July last, I presume, detached from the 2^d Mass.

I now ask his appointment as A. A. S. and that he be ordered to report to me. His commission is date from 1st Aug. last, since which time, he has performed the duties of that office without compensation. I have no officer in my Command, who can be spared from the line, whom I regard as fit for the position.

Very Respectfully
W. B. Bate, Brig. Genl.

Richmond, Va.

April 23d 1863

The President.

Sir,

We respectfully and cordially recommend Brig^d Genl John H. Winder for promotion to a Major Generalship.

His record shows his gallantry and good conduct as an officer in the war with Mexico. During the present war he has not had opportunity for distinction in the field; but this has been his misfortune and, not his fault. He has, with the modesty and patriotism of a true soldier, been ready and willing to serve, with cheerfulness and alacrity, wherever he has been ordered. He has been entrusted with more arduous and no less responsible duties than those of field service, and has discharged them with fidelity and efficiency. His patience, industry and energy have been displayed in such manner as to command the admiration and thanks of those who have been residing or sojourning in this city since he assumed his command here.

He has never exhibited a prevalent desire for promotion, or uttered complaints at the elevation of others above him who were his seniors in years and service. He has not sought or suggested this recommendation, and is indeed ignorant of its being made in his behalf. His unselfishness and modesty

Hon. Sec. of War.

Dear Sir:

John L. Hill and myself, three or four days ago, joined in a recommendation to the President to confer on Genl. Winder the rank of Major General.

The President withdrew the matter before our communication to the Secretary of War.

Feeling a deep interest in the matter, Mr. Hill consults with me, in asking you to consider it favorably, and as soon as you can.

The question is growing to a close and we are very anxious to have the nomination sent in before we depart.

Very respectfully,
Yours truly,

It is due to General Menden to say,
that this communication is made
without his knowledge. Whilst we
have no doubt, that his promotion
would be exceedingly gratifying to
him, yet such is the sensitive mod-
esty of his nature, ^{that} it is scarcely to be
expected, that he would ever make
application for it. This is therefore, rather
an appeal to your generosity and justice,
for a merited tribute to a good, true
and faithful officer, than the impor-
tunity of a mere seeker for promotion.

Excuse the liberty we have ta-
ken and accept assurances of the
great consideration and respect, with

Apr. 15th 1863 -

Mr President,

We take the liberty of asking the promotion of Brig. General John H. Winder to a Major General - ship.

His opportunities have not enabled him to distinguish himself on the field. His duties, at his present post, have been quiet but extremely arduous, and he has performed them with a fidelity and assiduity that entitle him to high commendation.

You know him too well, to require any voucher, for his sterling integrity as a man and his high and gallant bearing as a soldier and gentleman.

If the absence of daring feats, in battle, be no obstacle to his promotion, we humbly conceive, that his untiring performance of the duties assigned him, entitle him to reap the rewards of his profession. This, added to his age and long service, pleads strongly his claims to Executive regard.

Dear Mr. Spencer:

Reference is made to your letter of 27 January 1953, herewith returned.

Due to the number of requests for military records, it has been found necessary to limit the number of records furnished to any one applicant to two.

The records show that James H. Fannin, was appointed Colonel, Confederate States Army, from the State of Georgia, 24 November 1864, to take rank 7 May 1864 and was assigned to the 1st Regiment Georgia Reserves, Confederate States Army.

Union prisoner of war records show that he was captured 16 April 1865 at Fort Tyler, Georgia and imprisoned at Milledgeville, Georgia.

His name appears on a record of prisoners, Post Marshal General, Washington, D. C., dated 16 August 1865, which shows he was paroled 25 April 1865 at Milledgeville, Georgia.

The records show that John Henry Winder was appointed Colonel, Confederate States Army, from the State of Maryland 31 October 1861 to take rank 16 March 1861. He was promoted to Brigadier General, Confederate States Army 21 June 1861. He was assigned to the command of Andersonville Prison, Georgia, 3 June 1864; assigned to the command of Confederate military prisons in Georgia and Alabama, 26 July 1864 and was assigned to duty as Commissary General of Prisoners, Confederate States Army, 21 November 1864. He died 7 February 1865 at Florence, South Carolina.

The image shows a dark, high-contrast scan of a document, likely a ledger or index. It features a grid of rows and columns. The right side of the image is significantly darker than the left, with the rightmost column being almost entirely black. Faint horizontal lines and small, illegible markings are visible across the page, suggesting a list or table of data. The overall appearance is grainy and low-quality, typical of a poor scan of a physical document.

My dear Miles,

If your time is not entirely occupied in attention to your Congressional duties will you allow me to tax it for a few minutes in a matter of personal interest to myself.

My Brother in Law the Rev Dr Winkler has been for some time past in service as the Chaplain of the 25th Regiment S. C. Volunteers and I am exceedingly desirous to see effect his removal to this City as Post Chaplain. Such an office has not been provided for here by the Government although I learn that it exists both at Savannah and Wilmington, and it would seem that Charleston should not be behind these Cities in this respect. The arguments for the appointment of Chaplain at so important a post are so evident that they will immediately

Sir

Before the beginning of the last session of Congress I had the honor to ask that John Winkler should be afforded a capt commissary. He had been acting commissary since his appointment as a bonded agent in June, '63 - for such duty.

I beg to call your attention to the distinction between agents appointed by the War Dept to act as commissaries - on trial before appointment - and agents chosen by direct commissaries.

The former position involves permanency and a commissary (if service continues to be needed and conduct has been satisfactory) and you long ago decided that such position was an exemption from conscription as it was the testing of a man's fitness for a commissary instead of appointing him outright which would have been done had I not introduced this plan of making sure that no unworthy officer should get into the service through

me. His services continue to be
needed, his conduct has been quite
satisfactory, it is for the good of the
service that he should remain at the
post he occupies. I made the application
before the session of Congress and
this renewal now made, should be
referred back.

I have never known him or seen him
but so confident am I feel that the
usage of the War Dept would be not
defeated from that I so stated.

I am very respectfully

The first of these is the
 fact that the population
 of the world is increasing
 at a rapid rate. This is
 due to a number of factors,
 including improved medical
 care, better nutrition, and
 a longer life expectancy.
 The second factor is the
 increasing demand for
 resources, such as food, water,
 and energy. This is due to
 the growing population and
 the increasing consumption
 of resources per person.
 The third factor is the
 increasing demand for
 housing and infrastructure.
 This is due to the growing
 population and the need for
 more living space and
 transportation.

Sir:

I have the honor to acknowledge your letter requesting me to tender my resignation as Surgeon in the P.A.C.S., on account of having declined to sign the Health Certificate required by the Army Medical Board; and in compliance therewith, my resignation is respectfully tendered. I have thought better to attend your letter, as explanation of this communication.

Dear Sir,

I ought, perhaps, to state to you that the Board 'granted me an examination ~~and if I did~~ on the 1st Inst. and, if I did not misunderstand them, the report in my case will be unfavorable. This would be very humiliating to one who has served so long and so faithfully as Surgeon in the Army, and for that reason I have chosen to adopt your suggestion, and tender my resignation on the ground of having declined to sign the Health Certificate.

I am, Sir,

Very Truly Yours,

Sir,

I have the honor to acknowledge
your letter of the 29th June, informing
me that the order accepting my
Resignation cannot be revoled and
stating also that I may be reappointed
if my services are required in
the Medical Department.

I regret this, as the letter of
Resignation went up to the Department
by accident, and for the reason, also,
that, since the date of the order ac-
cepting my resignation, and before I had
any knowledge of its acceptance, I
have rendered four or five months
regular service, as Surgeon, for which
I can receive no remuneration, unless
the order is revoled, or my Commis-
sion renewed; and, since you
inform me, that the former cannot be
done, I now have the honor to ask
for a reappointment as Surgeon in the
P. A. C. I., with commission to date from

The 2nd of July last, the date of the case
accepting my resignation.

I have the honor also
to refer you to the order of Surg. W. L.
Nichol, Chief Surg. of this Post, appended
to this communication, and also to the
letters of Hon. A. R. Wright, Atty. Gen.
Thos. G. Watts, on file in your office,
as well as to my former letter on this
subject.

I am, Sir, very respectfully,

Head Qu. 29th Regt Ala. Vols. 1st Division
Army of Tennessee, Memphis Tenn. Dec 27th 1862.

Sir: The undersigned, Surg. of 29th Ala. Regt
regrets that the condition of his health is
such that he is unable to perform the duties of his
office, and therefore in justice to himself and to
the government he is compelled to tender
resignation, tendering his resignation to take effect
from Jan 1st 1863. For the past six months he has suffered
with Paralysis of the rectum & lower bowels,
so that during that time he has been under
a daily necessity of using cathartics or strong
Cathartics in order to effect an evacuation of the
bowels, which, in the field, is attended with
great inconvenience and when neglected, as
must often be the case, causes great ex-
haustion and derangement of general
health, and therefore he respectfully
tenders his resignation with the request
that he be discharged from the service.
Very Resp^{tly} Yrs Obedt Serv^t
Wm. Moore
Surg. Gen. Richmond

I am happy that Surgeon Moore's resignation was so fully
looked into and to his satisfaction that I consider
him in consequence thereof as having been discharged
the duties of a Regimental Surgeon & as such
and his resignation has been accepted.

Respectfully

Quartermaster Office
Augusta Ga. Oct. 17 - 1863

In reply to your letter of 13th inst. received this morning requesting me to report immediately the amount of cotton I have purchased for the benefit of the Quartermaster Department, I have the honor to report that I purchased 981074 pounds cotton at fifty cents per lb. and forwarded 220584 pounds to Mr. Veigas agent of the War Department at Washington. The balance of the balance of this cotton is Augusta, stored with the post, (S. S. Metcalf) from whom the purchase was made.

I have made no arrangements for investing the unexpended balance as the amount was so small, I did not deem it worth while.

I received for the purchase of cotton \$500,000.00

paid for cotton purchased \$290.50

Commissions to Shining & Clayton
for purchasing cotton } 6.152.34

Arayaz on Cotton to R. & L. 131.00 = 496.85.34

unexpended cotton funds. \$3.142.66

The present difficulty of sending the balance of this cotton forward, is, that the South Carolina Road has not sufficient motive power to perform all the work required. I understand this deficiency will be obviated in the course of a few weeks. Arrangements had been

made with the Georgia R. R. In the transportation of the
whole of this cotton, the want of storage at Wilmington
stopped the further shipments. It is important that
this cotton should go forward as soon as possible perhaps
prevail upon the Ge. R. R. (as the Co. have already proposed
response to the wants of the Gov.) to run a special train to
Wilmington for the purpose.

The price of cotton in this market is from 45 to
fifty two cents, holders looking for higher figures, there is but a
limited quantity offered on the market. I learn that most
of the cotton here has passed from the hands of
speculators.

I am informed that cotton can be purchased at Columbus
Ga. at fifty five cents, if it is desired to make larger purchases
of cotton, a discreet officer or buyer might enter that market
and purchase largely at those figures without exciting the market.

To

His Excellency Jeff. Davis
President of the Confederate States.
Richmond, Va.
Sir.

In the month of June 1861, whilst on active duty as Quartermaster General, of the State of Louisiana, I had the honor to receive from the War Department, letters of Appointment (see copy herewith), as Major, in the Quar. M. Corps. of the Confederate States Army, which I at once accepted, and assigned to duty at the (then) important Station New Orleans.

I have been lately informed, that my name has never been presented to the Senate of the Confederate States for confirmation. I have therefore taken the liberty to address you, upon the subject, with full confidence, that you will have the kindness to rectify this seeming omission, before the close of the present Congress.

I have made no particular effort (as I might have done, did I deem it necessary) to importune you with friends in my behalf, but relied on

the recommendation of my friend Genl. A. A. Myers,
who has known me 30 years, and is well-
acquainted with my ability.

It is not improper to state that
I have been in the Quar. M^r. Dept. since 1846.
during this period, I have had confidence to
me important trusts. As regards my
service in the Confederate Army, I would
respectfully refer you to the records of the
Quartermaster General's office and Treasury
Departments.

With high respects
I am very Respectfully

Letters Received

A & I G O,

Quartermaster Office
Augusta Ga. June 12. 1865

General,

I have the honor to acknowledge receipt this morning of a notification from the War Department under date of 9th March 1865. informing me, that the President has appointed me Major & Quartermaster in the Provisional Army of the Confederate States, to rank as such from the 21st February 1865.

On accepting this appointment, I would respectfully state, that this makes the fourth appointment, as Major & Quartermaster. I have received through your office, dated as follows, June 11th 1861, May 28th 1862, March 16th 1864, and March 9th 1865. — On receiving the appointment of June 11th 1861, I immediately signified my acceptance, filed my Bond & oath as required, and from that time to this, I have been regular (without intermission) engaged, as I now am, in the important, and arduous duties of my office, in which, I have received, disbursed and accounted for, millions of public monies.

On receiving the appointment under

date of March 16th 1864. Separated & forwarded
another Bond, which was read (see copy
of acknowledgment herewith) and accepted
as the war Department.

Such having been my official
antecedents, and such being my present
position, I cannot but suppose, there
has been some misapprehension or over-
sight of them, in the preparation of the
document of which I now acknowledge
receipt.

With this explanation of my
position, I enclose herewith as required,
the acceptance and oath.

Very Respectfully
Yr. Obedt. Servt.

President of the

Sir.

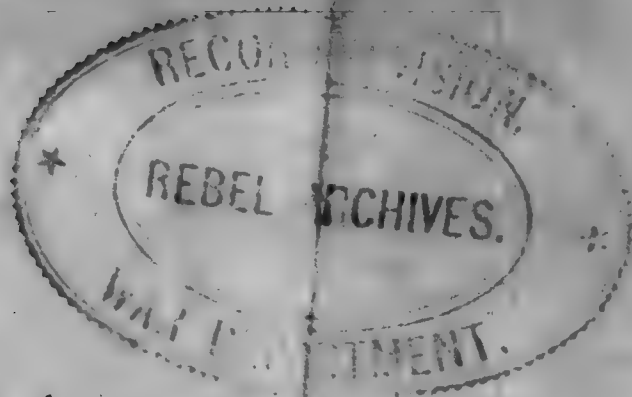

I have the honor to request of
the President a commission in the P. S. C. so
that my services may be made available in
the Provost Marshal General department in
the Command of St. Louis Park. The enclosed
papers are referred to as to my qualifications
and standing. During the early part of the
war I served with Gen. Pickett as aide de
Camp (Volunteer) with the rank of Major.

My services can be more beneficial to the
Confederacy with a commission than they can
without it, as my operations are confined
to border lines occupied by the enemy in
Mississippi & West Tennessee and frequent
opportunities occur, by which a commissioned
officer of the rank I formerly held can inflict
much damage upon the Federal raiding
parties and benefit our country.

Very respectfully

Sir,

Henry Winslow late of New Mexico,
we learn is an applicant for the appoint-
ment of Captaincy in the army of the
Confederate States, and it affords us
much gratification to be able to bear tes-
timony to the qualifications of Major
Winslow for such position. - His experience
on the frontier, energy and ability, as well
as military bearing - bravery and good
services rendered in the late battle of
Belmont while acting as aide to Major
General Palk, make him well fitted
for the position he applies for - and
we would be, in common with the army
at this place generally, be much pleased
to learn of his success.

Respectfully I am, Sir, your obedient servant,
Wm. B. Long
Major, 6th Regt.

St. Louis, Mo.
Dec 14, 1903

The transportation
 furnished the Government
 is wholly inadequate to its
 wants, and unless it be in-
 creased the suffering is of
 the troops for want of
 fuel will be very great.

My Col. after sent
an inspector to examine
into our wants in this regard
whose report is recommending
additional transportation - My
Col. has seen fit utterly
to expendiate - at times
the A. & J. Genl. will make
the necessary direction in
this case (W. H. H. H.)

for that to which they are entitled (which only
aided transportation) that the Government has produced
to a pitiful condition (as was the case of the
not yesterday) or because they are not satisfied
by it and are more than ever dissatisfied. Some
very striking and more than enough to do the
necessary work for the whole of the present
season. It is a great pity that the Government
the women of which have many repairs
which cannot be put up to the point of the
the Government are not satisfied. There
there are an insufficiency of the same time
time to have the (which is the only one) to
which others.

Nothing you may see the necessity of making
the requisite and proper.

Gen: S. Cooper
A. of Gen: J. A. [unclear]

Succeeding
Brig: Gen: W. E. Jones to the Command
of the Brig: formerly commanded
by him, I find that I have no
aid-de-camp, he having taken
his away with him, and I therefore
most respectfully recommend Mr. P. B. Winston
of Co. E. 5th Cal^y, for the position.
There is an A. A. Gen: (Capt. Martin)
serving with the Brig: having been
appointed by my predecessor, but
inasmuch as he is an entire stranger
to me, one in whom I cannot, of course,
impose confidence. I feel that I have
the privilege of claiming one with
whom I have a thorough acquaintance
to fill this most important position
in my military family. And I therefore
recommend most respectfully W. Emmette
adjt. of the 5th Cal^y, for the position.

I am, Gen: most res^t

are men, recruits & Cadets, for whom no provision has been made, and they are instead of being employed as the supporters is the general case of all those who were not at West Point more than 2 years, except the first appointments made shortly after the first meeting of the Board of War, and before the Board had established a regular system.

Of these - who are now being recalled for service - some are now in the service, some are in the service of the Government, and some are in the service of the Government. The number of the latter is small, and the number of the former is small. The number of the latter is small, and the number of the former is small.

His Excellency Jefferson Davis
President of the Confederate
States of America

Dear Sir:

I was Cadet in the Military Academy at West Point from June 1850 till about the 1st of January 1861, at which time learning that Alabama had a majority in convention for immediate secession I resigned my position. On my return home I received a Commission of 2nd Lieutenant from Gov. A.B. Moore, was ordered to report myself for duty by the Adjutant General of the State, which I did at Montgomery, and was informed that I could not be received into the service under the Governor's appointment. That all such would be superseded by appointments to be made by the Secretary of War. I had a short interview with the Secretary of War, with whom I left the acceptance of my resignation at West Point by the War department at Washington; and returned

home expecting that in due time I would be placed at least in the same position assigned me by the Governor. In the mean time I have been engaged in drilling the Volunteer Companies to be mustered into the service from this County. Into this service I should have entered before now, but expecting an appointment in the regular army (which I greatly prefer) I have not done so. I believe all the West Point Cadets (myself excepted) have been assigned some position in the Regular Arms. My case I presume has been overlooked. I am in the 22nd year of my age. Have made the military art my study during the last four years. I understand Infantry tactics and have some knowledge of fortification and field artillery. I now tender you my services, and am ready to occupy whatever position in the Regular army you may direct to be assigned me, hoping and believing that I can render some aid in the defence of the Independence of our beloved South.

I am Sir most respectfully

Your obt. Servant.

Hon. J. T. Benjamin,

Ch.

You have no doubt
received a communication, sometime ago
from Gen L. T. Walker, concerning my appointment
in the Confederate Army. In that
communication, if I am not mistaken
he represented me as being under age;
and therefore I have received this
appointment of Ensign in the Confederate
Service. I will simply state
that I am 22 years old was at West
Point nearly two years. All my class mates
have been appointed in the Army.

Very Respectfully,

W. O. Winston, Jr.

signed my position at W.D.
as soon as I have heard
that my state (Calif) had
a majority in Convention
for immediate secession from
the Federal Union.

I may make a statement
of facts, and if you see
proper to do so, I will consider
it a great favor if you make
application for me to the Hon. Sec.
of War.

I am serving as a Cavalist
in the army. Employed at
present in drilling a company
at Artillery. But have much
much authority, and this is
one reason why I want to be
employed. I think I could have
performed my duty better.
Sorry for intruding upon your
time.

With sentiments of
of high respect I
have the honor to be, &c.
W.C. Winston, Jr.

Dear Sir,

I have
made two or three ap-
plications for a Lieutenantcy
in the U.S.A. And
have been put off from
time to time.
Would not ask for the
position in question if
I did not think I was
entitled to it.

Excuse me for trouble-
ing you and for addressing
you in a rather private
Capacity.

With your recommendation
justice will be done me.

So I expect to make
the military a profession;
I think it better hard
to be ranked in the army
by my class mates and
those who were in the
class below me in at
West Point. Young men
who have never seen the
inside of a military
College have been ap-
pointed lieutenants in
the Army.

It was intimated to
me while in Richmond,
that, as was not appointed
a lieutenant, because I
was probably under age, and
that, I did not stand
high in my class at
West Point.

I am over 22 years of
age. And though I
did not stand high in
my class: I was there
(W.P.) nearly two years, and
passed every examination
honorably. Never was found
deficient in any of my
studies or in conduct.
My military qualifications
are the same as those who
have been in the Army
for all killed together. ~~20~~
Bravely and nobly
acted.

It was the first time
called on the Constitution
to respond to the call
of my country. But I
deserve no credit for
that. I was only doing
my duty. I ac-

During my stay at West Point and since my return South, I have studied fortification, as much as my busings of drilling volunteers would allow. I understand how to construct a bastion fort, the redoubt, the redan, batteries and gabions, hurdles, fascines, abattis, &c., &c.,.

I want to be placed in that position where I can best serve my country. I think I can perform the duties of 1st Lieut of engineers very well. I would like to be assigned to duty on the Gulf Coast, or, any place you may see proper to send me.

I was a cadet at West Point nearly two years; and resigned my position in that institution on account of political troubles. On the 31st of last December in company with two other resigned Cadets from this State I left West Point for the South. Since January I have been employed in drilling volunteers.

Soon after the meeting of our first Confederate Congress I became an applicant for a lieutenancy in our regular Army, which, application I presume has been overlooked.

For I understood since then, that all the resigned West Point Cadets have received appointments.

Desiring of getting into the regular service, which, I greatly prefer, I last August raised a volunteer company for 12 months. This company I could not get into service for that length of time, nor could I get them to volunteer for a longer period.

I now offer my services to you;

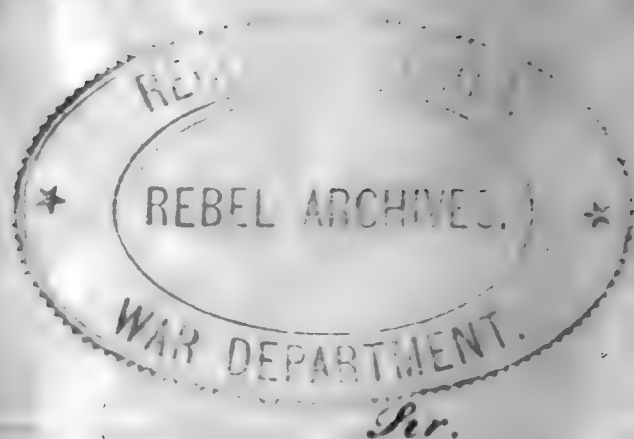

And you can assign me to any position
you see proper.

The acceptance of my resignation
at West Point by the War Department at
Washington, was filed away in your Department
last April.

Very Respectfully,

Richmond Va. 30th 1863
The President
Sir

I have the honor of presenting
the name of James B. Wintromith, to your
favorable consideration, and request that he
be made a cadet for the 3^d district
of Ky.

Mr. Wintromith, is a Kentuckian by birth
the son of Maj. R. C. Wintromith, and is closely
connected and belonging to the best family
of the State. He is now sixteen years
old, and although so young, has been
constantly employed in the service for more
than a year. With Genl. Morgan - who com-
pliments him in the highest terms, for distin-
guished services. He was complimented also
by Col. Hanson of the 3^d Ky Regt. In the presence
of his Regt. for valuable services, for bring-
ing correct information of the Enemy. Through
the from Elizabethtown to Green River - In Genl.
Morgan's last Campaign - James Wintromith
was severely wounded, and made prisoner,
but from his youth was released immediately.

He is well grown and promising in
appearance of ripe intellect and for his
age well educated - and possesses a decided
military inclination.

I most earnestly recommend his
appointment.

I have the honor to be
your most obedient servant

Henry E. Read

The application of Jas. Jewett. heretofore
made is withdrawn - for the reason
that he has quit the service.

illegality of this appt well

was recommended for this appt.
by Genl. Buckner, then in
Richmond, as Maj. Comdg. our
his staff, to date from Nov 1864.
The appt. was made according
to the communication, on the
intercession of, L. J. Blount
"by order of the Sec. War".

The only law, which could, at
the time, govern such an
appt. was the Act of March 3,
1864, which provided for a
Commissioner for brigades.
Genl. Buckner was not com-
manding a brigade at this
time, nor since he made this
application, nor does it appear
that Maj. McIntosh was

ever assigned to a
brigade, or that he
has ever acted as
Commissioner for a
brigade. He must
therefore be regarded
as having been
illegally appointed
to the rank he claims
to hold. But even
had he been legally
appointed, I consider
he has forfeited
the appointment by

Received 1864

I have the honor to call your attention to the enclosed papers in reference to Major R. L. Wintersmith's Com. and in particular to the endorsement of Genl. Geo. Diefenbach - the paper marked (A) is a copy of the only authority for his nomination - when the appointment was ordered and made, Aug. 14. 1862, there was no law for the appointment of a company on the staff of a general - The nomination being illegal the confirmation of the Senate cannot make the appointment valid -

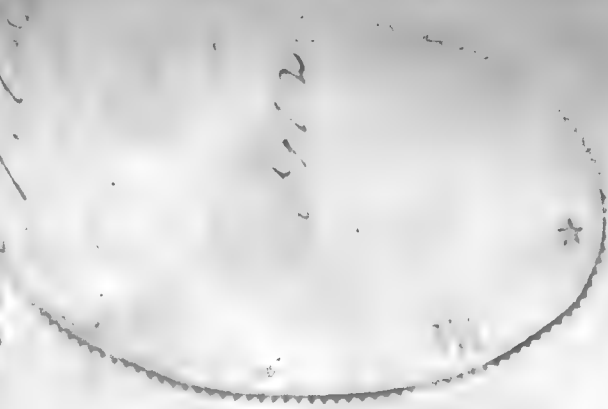

That had his appointment been valid, he went out of commission under the provisions of Genl. Ord. 48. Dec. 1862, or soon as he became separated from Gen. Diefenbach or when he was the duty which he had been performing in the corps commanded by Gen. Diefenbach - Under the arrangement of Gen. Diefenbach, Maj. Wintersmith was acting as Chief of Subsistence - By S.O. 137. A.D. 1862. June 11. 1860, he was relieved from that duty and has since received no assignment - Under the action of G.O. 70. Series of 1830, he must have gone

one of commission, had his commission ever been valid.
It is not deemed necessary to enlarge on the case,
which induces the application for that order, or that
of June 15. by for him name to receive another
assignment.

I cannot but be convinced of such magnitude
of the business, my General by my own
efforts had secured myself repaired to the
office of the Superintendent to him and
others who were present, which was to examine
some of the papers relating to the
business of the company, as in the
document which I have enclosed as a memorandum
of the business, which I have enclosed for the
information of the other thirty or thirty per
centage of the company, which at the
time I was engaged in the Mobile market
business, I had no concern. After a full explanation
of the business, I then ordered the
execution of the business immediately
concerning the company, all of which I
had done, and I have since then
been engaged in the business, but since I have
not been able to understand from what it is
concerning such a transaction, I have made
every effort to recollect it, if I can
recall it, and I have considered in your case
of my own the recommendations with which I
have been provided, that the surprising
character of the business at every description
of the business, the Mobile market,
which I have been engaged in, in the
business of the company, which I have
been engaged in, which I have been engaged in,

Mr. President

I called to see you last night mainly to pay my respects, & to enquire after your health & did not feel authorized to talk to you on business as I would have done if you had been well. Please excuse me therefore if I again invite your attention to the application of Col Bankhead for promotion. I thought his papers well before you, Mr Sec of War told me so. But finding I was mistaken, I did not press his claims. You are greatly obliged to Col & myself, if you will order those papers to be laid before you & at your convenience give them some investigation. I would be very glad to learn your final determination about the request of Maj. Win. Smith to be reassigned to duty. He has addressed an explanatory letter to the Sec of War which I hope you will examine before you decide upon his application.

I feel an interest in his fate. He is a gentleman by birth & education, & I confess I feel touched at the manner of the Commander in Chief towards him. He has more business habits & qualifications than any man I know and as much character for honesty.

as any body. I do not think such a man
ought to be so severely rebuked for the fault
of his Commanding General.

I will be greatly obliged for a
reply to Maj. Winthrop's petition within
three or four days, if you are able to attend to
business & should you will re-assign him to duty

ACCEPTANCE AND OATH.

Having been appointed a Major in the
 Commissary Department of the P. & G. S., I do hereby
 accept the same, and certify that I am aged 42 years 4 months, born
 in the state of Kentucky appointed from the state of
Tennessee — and I, R. C. Wintersmith, do
 solemnly swear or affirm, that while I continue in the service I will bear
 true faith and yield obedience to the Confederate States of America, and
 that I will serve them honestly and faithfully against their enemies, and
 that I will observe and obey the orders of the President of the Confederate

Richmond Va Feb'y 23rd 1862.

I, Thos B. Metcalf, make the following statement:
Early in February 1862 Brig Genl S.B. Buckner
commanding the 3rd Division Army of Ky. at Bowling
Green Ky was ordered to march to the relief and
support of Fort Donelson Tenn. - Maj A.C. Wintermute
who was Commissary of Genl Buckner accompanied
the expedition, leaving in the possession of H.C. Smith
and myself a large quantity of provisions and
store ~~left~~ to feed the sick in Hospitals and the remaining
detachments of said Division left behind -
When the evacuation of Bowling Green Ky took place
orders were issued by the Chief Commissary Major
Thos. K. Jackson to turn over all said Subsistence
Stores and Commissary property on hand to Maj
Williamson then acting as Depot Commissary and
take his receipt ~~therefor~~ for the same - The above order
was complied with and receipts taken - All of
Major Wintermute's reports were regularly made
out from the 1st day of December 1861 to the
1st day of February 1862 by his clerk Mr. Geo. Allen
and had been examined and found to be correct
by Maj Cassiday then Inspector General on Genl
Buckner's Staff - They were ordered to be
immediately forwarded by Maj Wintermute to
Commissary Genl. Richmond Va. - Upon
examination Genl Buckner had not signed the
Abstract of Provisions issued to Troops. (Form
Subsistence Regulations) though said abstract had
been carefully compared with the original returns and
said returns filed in Genl Buckner's office. Hence
the delay in not sending forward these reports
All the papers of Maj Wintermute relative
to his business at Bowling Green Ky and his
retained papers, vouchers receipts, &c. while Commissary

of the 3rd Regt of Inftry. were securely boxed up and taken to Rail Road Depot at Bowling Green Ky for shipment to Nashville. Whilst these papers were in the depot the enemy opened fire on the town. The depot being almost in point blank range. Maj Genl Hardee ordered the depot to be burned. at the time filled with Ordnance property and a train of Cars. An effort was made to rescue Maj Wintersmith, papers but Genl Hardee ordered them to be burned. -

The delay to make the reports sooner was occasioned by unavoidable circumstances, arising from the fact, that the Command was considerably scattered; some at Bowling Green some at Russellville, some above Bowling Green and one Regiment of Cavalry commanded by Col B. Hardee. Miles was fighting and fighting of country embracing twenty five or eighty miles. Orders from Genl Hardee were sent Maj Wintersmith to send these commands provisions in bulk. In consequence of not being able to obtain receipts promptly from Regimental Commissaries and the fact that invoices could not be obtained for goods received from Maj Williamson who was overwhelmed with business acting as Depot & Post Act. at Bowling Green the Returns of Maj Wintersmith were unavoidably delayed. I R. W. Whittemore state that I was acting as one of the
agents of Major R. W. Whittemore A. S. of Gen. A. S. Buckner's
Division and accompanied him from Bowling Green to Fort
Donelson. The command stopped at Russellville Ky and made
camp there near two weeks, where by order of the General
Major Whittemore purchased bacon and other supplies. After
leaving Russellville a portion of the division landed at
Cumberland City a small town on the river between Clarksville
and the Fort where by order of Col. Pickens commanding,
subsistence was purchased. The vouchers of all these transactions
were in my possession. Deeming it proper to leave Major Whittemore's
papers and vouchers at Cumberland City that, to save them
to the consequences of the battle I mailed them up securely
and with his consent and advice deposited them with the
owner of the building in which we had been quartered.
After the fight was over I was despatched by Major Whittemore
to try and recover these papers, but learned that they had
all been destroyed together with stores by our retreating.

 May 1866

Richmond Va 24th February 1865

In reply to the endorsement of Maj S. J. Brewer C.S. upon a statement made by the undersigned relative to his assignment to duty as Commissary, the following facts are respectfully submitted.

Maj Brewer states that the undersigned entered on duty 19th July 1861, failed to account for money or property received until Jan'y 16. 1862 and then sent returns for the months of September, October & November and for the 3rd Qr 1861 only. I will merely state that instead of entering on duty 19th July 1861, which was the date of my Commission, which Commission I did not receive until nearly two months afterwards, I did not enter on duty until the last of September 1861.

My sales to Officers did not commence until 1st October is the reason I did not charge myself with money received for sales to Officers in September 1861.

Relative to returns not having been found, some in accordance with orders from Commissary Genl I will state he is also mistaken in asserting no reasons for the delay had been given. In a communication made at the earliest practicable moment after the retreat of the army from Manassas near the disaster of Bull Run dated Searsville Miss. March 28th 1862, reasons for the delay were given, which communication I know was received, for I received a reply to the same.

From the commencement of my duties as Commissary, which was the last of Sept 1861 to the fall of Fort Sumter, where the command was

surrendered. I beg leave by way of explanation to
file the accompanying affidavits of Theodore
S. Metcalfe and W. M. Montanville acting as
Sargents at the time, I have other affidavits of a
similar character with my papers at Mobile Ala
which I will forward immediately upon my return.
My Order states that no returns have ever been
~~made by me from Nov 1861 to August 1862~~, I will
explain the reason. As stated above returns were
made out up to 1st February 1862, and ready
to be forwarded but being ordered off to the relief
of Fort Donelson, these returns were left at
Owling Green Ky and thus destroyed upon its
evacuation by order of Genl. Wallace, by reference
to Affidavit of Theodore S. Metcalfe above will
be manifest. From 1st February 1862 to 16th Feby.
1862, my vouchers and papers for that time were
destroyed by our own retreating Cavalry at Cumberland
City as will be shown by Affidavit of W. M. Montanville.
From that time I was ordered to report to Brig Genl.
J. C. Breckenridge, upon whose staff I served as
a Commissary but as will note the return of
Genl. Buckner, to whom I was ordered to report
which was in August 1862, this accounts for
my making no returns from February to August
1862.

From August to December 1862 included the
time the Campaign to Kentucky was made by Genl.
Bragg and the return to College Grove Tenn. by way
of Knoxville. I neither had a place, nor paper, nor
time to make the returns out as I was on the march
continually and could not procure a competent
Clerk altho assistance in my efforts, having had
many duties when I found to be unfit.

As for my reports not being made out in time

during the year 1863 whilst stationed at Mobile
I have always labored under the impression they were
regularly mailed. My time was so completely absorbed
in my efforts to procure food for the command I
may have been remiss in not sending them on at the
exactly appointed time. I will examine and report as
soon as I reach Mobile. The letters referred to in
Maj Brown's endorsement were never rec'd by me.
I believe I have replied to the endorsement of Maj
Brown and I hope satisfactorily.

Very Respectfully

Subsisted Department,
Richmond, Jan'y 17. 1865

Respectfully returned to the Secretary
of War

There are vacancies in the Subsisted Department, resulting from the failure to confirm the nominations of Officers heretofore made, who have been on duty.

I have again presented the names of a number of these Officers, urged their re-nomination, because they have already demonstrated their fitness for their positions - and because, in my judgment, the public interest will be promoted by their appointment.

This would probably be deemed a sufficient reply to the enquiry of the Secretary of War - but this case has been recently revived with urgency - and the motives, which controlled my action thereon, have been arraigned - and it is proper for me therefore to enter more fully into it.

On 15 June, 1863. in my letter to the S. of W. I recommended that this Officer, Capt. Dolhous, should be relieved from all duty, and receive no further assignment.

Maj. Whittemore had indeed, by order of June 11th been relieved by Maj. J. J. Wicker: but this was because of the inauguration of a new system, under which the latter had been appointed Chief Commissioner of the State of Alabama.

Subsequent to the order relieving

ing him, Maj. Wintersmith called at this Office, to make a verbal explanation - which I declined to receive, but informed him, that any written communication on the subject, would receive consideration.

No such communication was ever received at this Bureau - nor do I find that one was addressed either to the Adj^t. General, or to the Secretary of War.

Several times within the last 18 months, persons have made enquiry respecting the position of this Officer, and were answered that he had been reported to the S. of W. for violation & disregard of the known orders & policy of this Bureau - and that consequently application had been made, that he should not be assigned again to duty.

These enquiries were few in number, and never pressed by any written communication, or appeal to the War Dept. until an Inspector, in August last, expressed in his Report the opinion, that Maj. W. went out of Commission, by law & Gen Order of the A. & S. Gen. in 1863.

I set forth my views on two papers: which papers finally reached me again, accompanied by letters from Senator Henry to the President, and a communication from Maj. W. to the Secretary of War.

This appeal to the S. of W. against treatment complained of, is dated 21. Novem, 1864. and is the first that has appeared, respecting events which occurred over 18 months before - and it is, (as was to be expected) characterized by inaccuracies of recollection. This Appeal, as an effort to get restored to duty, should not have been so long delayed.

General Buckner having left Mobile, Maj. Wintemuth states that he continued to act as Chief Commissary of the Department of the Gulf by sufferance, until relieved by order of the S. of W.

There was no order from the War Dept. assigning him as such. Having been appointed on the staff of Gen. Buckner, he accompanied him to Mobile, and was by him assigned as Chief Commissary of the Gulf District. When he arrived, the Commissariat was in good condition - but under his Administration it was becoming exhausted, and want impending. This compelled General Buckner to relieve him from all control or responsibility in the collection of supplies - and he issued an order (25 Feb. 63.) appointing Capt. J. Shelby to that duty. This order was so drawn, as to place all the Officers & Agencies of the Commissariat under the sole Control of Capt. S. and they were precluded from any other direction or orders, but those emanating from him.

Capt. Shelby proceeded to collect supplies efficiently. The Stockhouses were replenished, while the troops & employees were well supplied - and in the early part of April, sixty days supplies for 15,000 men, were reported.

Gen. Buckner's order under the emergency, and these results, are a sufficient response to Maj. Wintemuth's opinion of the small resources of the country available to hand, & of his aptitude for the duties of which he had been relieved.

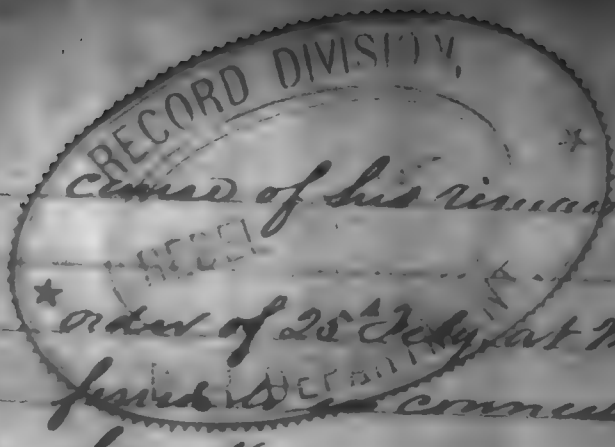

Gen. Buckner, in August 1862, applied for Maj. Wintemuth's appointment on his "Staff" - took him to Mobile, and without any other order from

the War Dept. assigned him as Chief Commissary of the District of the Gulf. — His order of 25 July substantially superseded him. When Genl. B. left for his new command in Tennessee, he had the moral right of obligation (if any ever existed to take him to Mobile & assign him there) — to take him to his new command, and make a similar assignment.

This he did not do, and Major W. became detached from his position on the staff of Genl. B. (to whom he had been ordered to report,) — and this Bureau would not have acted consistently with its constant policy, in recommending him for reassignment, especially in the face of Gen. Buckner's order of 25 July, and of the above recited circumstances.

In April ('63.) it had been determined to inaugurate the new system, and Maj. J. J. Walker had been designated as Chief Commy. of the State of Alabama. He could not be disengaged from his then existing duties earlier, but on 11 June the order was issued, and all duties (whatever they were) which had remained to Maj. Wintersmith after Gen. Buckner's order of 25 July '63. were thus transferred to Maj. Walker.

It is proper here to notice the letter of Gen. Buckner from Knoxville furnished to Maj. W., a copy of which is furnished with these papers. That letter shows interest in his future, and recommends assignment — but he does not retain him in that position, which his appointment, if ever good, required, — and the last paragraph simply says, that he was the Senior Commissary of the Dept. of the Gulf. It makes no comment upon the performance of his duties, or the

... of his remaining behind.

Gen. Buckner's order of 25th July at Mobile may be appropriately referred to in connection with his letter of 25 Aug. from Knoxville - and the records show Major H.'s want of knowledge of the resources of the country and his incapacity to avail of them.

Being relieved from the position to which he had been assigned by Gen. Buckner - who had substantially superseded him, and which he occupied only "by sufferance," as he says, and not being reassigned on 31st July, he went out of Commission by law.

The letter written by this Bureau a few days after (on 15th June) was caused by the receipt of information of the Flour trade with the Messrs. Rayland, which had never been communicated to this Bureau, and was only made known after the Flour had been impounded by Maj. Inman.

That transaction required a special notice, and the letter of 15th June was written, as appropriate from this Bureau - which could not according to its sense of duty to the Govt., sanction Mr. Rayland's claim, or pass over, without notice, the proceedings of the Officers concerned. Capt. Shelby knew nothing of it - Maj. H. was excluded, by the order of 25th July, from all necessity of action or responsibility in furnishing supplies - and Capt. Dolhonde violated that order which restricted all actions on his part, except, ^{under} orders emanating from Capt. Shelby.

Mr. Rayland in Mobile, through his brother in Petersburg, bought 3000 barrels flour in Petersburg, & 1000 in Richmond, to be paid for

in sugar at Mobile - on the basis of \$35. for the flour, and 87 cts. (as Maj. W. intimates) for the sugar - and held subject to the order of Maj. W.

This proceeding was contrary to the instructions of the Commy General, sent to Major W. early in March, prohibiting his buying of sugar, at that time, or of any in contemplation.

It was frustrating the publicly known policy of the War Dept. in shipping flour from Virginia, (where bread-stuffs were deficient,) to Alabama, where Corn, Potatoes & Peas were plentiful. It was a violation of Army Regulations, respecting the mode of making purchases - and of special orders from the Commy General, made known to Maj. W. in respect to his buying, or causing to be bought, flour, to be shipped out of Va. to Mobile.

It was also contrary to plain principles that persons in the same interest, should, without concurrence, be buyers in the same place.

It was also unjust, that Govt. should impress the flour of some of the Citizens of the country at \$25. per bbl. and give to others \$35. in sugar @ 87 cts. at Mobile - which sugar, so soon as transferred to them by the Govt. would be secured from impressment and become at once greatly enhanced in value.

Major W. knew that the authority of the Commy Genl. was binding in such matters, & that permission for such purchases had been asked, & refused.

The records show that Gen. Buckner could not have been aware of the prohibition against this purchase, and that he would not have violated the legitimate orders & prohibitions of the Commy General, within his Military District and, far less,

has sustained an officer, under his command, in violating them in a remote military Dept, by doing, through citizens, what could not be effected through officers of his own branch of service.

No communication from General Buckner, respecting the purchase of this flour in Va, or its removal, was ever received at the office of the Sec. of War, or Adj. General, or by this Bureau - and his order respecting Capt. Shelby shows that no officer of the Commissariat in his Dept. was allowed to obey an order from Major W. to purchase any thing. No trace of the elaborate report spoken of, respecting the lamentable condition of the Commissariat - the necessity of finding food from day to day - and the exhausted condition of the resources of the country - with Gen. Buckner's copious annotations - can be found in any of the branches of the War Department. But Gen. Buckner's order No. of 25 Feb. is a sufficient reply to this exhibition by Major W. of his want of acquaintance with the subject which he ~~had~~ treated of in that report - for Capt. Shelby was accumulating rapidly, and early in April, when Capt. Dolhorne was (for Maj. W.) enquiring about the flour in Petersburg, there was on hand, 60 days rations for 15,000 men.

The cry of 'fence a head' has been understood as attributable to Gen. Pemberton's order, prohibiting the removal of supplies out of his Dept. on the R. R. running north from Mobile, within his Dept. - but which did not cut off the rich country on the waters of the Alabama, and

did not prevent rapid accumulation of supplies for Govt. under Capt. Shelby's administration.

Major W. applied to Maj. Cameron, of Miss. for a large amount of sugar, and was informed that the previous order of the Commy. Genl. was causing its removal is ———. His claim to have saved sugar which would otherwise have been lost, is made under a misapprehension of the facts.

His opinion, that if his teacher had been commuted, it would have saved the Govt. thousands upon thousands, is refuted by the fact, that in consequence of it, the Govt. had to pay \$10 per barrel more for the flour, than it would otherwise have done: while it compelled the Govt. to deal unequally with the people in purchasing; paying the Ragland \$10 per barrel more than others received — besides cost of transportation thence to Mobile, which was to have been an additional burden, if the matter had not been stopped.

His claim for his high business qualifications for the office of Commissary, is also answered by Gen. Rodden's Order of 25th Feb. and the result of Capt. Shelby's administration.

Having referred to Maj. Brown (of this office,) Major W. letter to the Secy. of War, I enclose his statement respecting the Return of Maj. W. (This will be found in the envelope covering his letter.)

Major W.'s complaint of the treatment sustained by him, and the arraignment of my conduct, as unjust & oppressive, has rendered it necessary that I should make the "statement" that he invokes in his letter to the S. of W. — I have seen

made any charge against his integrity-- but
 I am bound to report my application to the War
 Department, that he be not assigned to duty
 in this Bureau.

Respectfully submitted

A. A. Murray

Richmond

Decr 4. 1864

Mr. President

I forwarded with Scory of Mass.
a statement written by Maj. McIntosh
of his his operations in Mobile, and
requesting a reassignment to duty

The Secy stated, his name was not
to interfere with any thing that peculiarly
belongs to the office of the Com
pany General's office, whereupon I propos
ed the paper should be sent to you for
your perusal and final action
It is now before you, & before you make
make up your mind upon it. I beg to say
a word in favour of Maj. McIntosh

I hope you will read his paper, he appeals
to you and I want him to be heard

It seems to me, if there was any thing wrong
in his conduct, it was the fault of Genl
Buckner. whose order he obeyed in the
purchase of the flour in Petersburg

for the use of Buckner's forces in
mobile. It does not look well to visit
the whole blame on a companion
who obeyed the positive orders of his
Commander. I let the Commander go
free. And it is for that reason I advise
ed May Montismith to appeal to

You I have thought best to write
a first man & have defended him
against the attacks of his enemies
time & again, but he is not dealing
justly by May Montismith, he treats
him harshly, and has visited on
him punishment due to his supe-
rior. This really is oppression & I
bring the matter to your notice, that
a brave man of first rate quali-
fications and a gentleman of high stan-
ding in his native & adopted State
may be reinstated in the duties
of his office. I have known him
for 20 years. While he was Treasurer
of the State in Ky, by reputation, & that

reputation stood above reproach

Since the war I have known him intimately well. I have always heard it was by his vigilant care & foresight that the Army at Mobile was fed while Pickens was there in command.

He is now one of my constituents and I really feel a deep interest in him, and respectfully ask you to interpose in his behalf.

Let Stillman would feel badly if the rule he is enforcing on McIntosh, should be turned against himself.

His services are very much needed in the Department of the Army at Montgomery, & if you concur in opinion with me, I shall feel highly gratified at his re-iteration. He is not only a business man but a brave & raised gentle man. May I see you in trip.

Sir,
Trusting you will excuse my address-
ing you without a previous introduction.
I take the liberty of soliciting your assistance
in procuring me a commission on
the staff of the Confederate Army -
I entered the English Army in November
1855 - after having been educated at
the Military College of Sandhurst -
and passed successively through the
grades of Ensign, Lieutenant, & Captain.
I retired from the English Army in 1860
last, after having been a Captain over
two years - I landed at Charleston
on the 15th of January, and proceeded
to the camp at Fredericksburg.
I brought with me from England
a letter for General Lee, asking
for my late position in the English
Army & for my position as a

28th Nov 1863

My Commission, as well as the Resignation
I received from the Governor of Malta -
- where my resignation was stationed when
I retired - General Lee gave me a letter
of introduction to General Longstreet, to
whom I have since been as a volunteer
on his staff -

I shall be happy - if required - to perform
my Commission, and I feel myself
quite competent to fulfil the duties
in any position in the Confederate
Army, it may be thought fit to
appoint me to, but I should prefer
being with General Longstreet, or
in the Cavalry -

I have taken

Your letter of the 7th is received. From what I have seen of Capt Winthrop I should judge him to be of moral and correct habits, intelligent and promising. I have no claim to an additional Staff Officer, however, and if he is appointed could only expect to give him temporary employment until he could be assigned to some permanent position.

I think that the rank of Captain is quite as much as he ought to expect.

 fact that the population of

Sir

Capt S Winthrop late of
H.B. No 22nd Regt some time in January came
to me with a letter of introduction from Mr
Edmond Shaw of England, a gentleman known
to me by his connexion with the late
Mr Bush. Mr Shaw spoke of Mr Winthrop
very favourably as a gentleman & soldier.
Being his friend & neighbor I assigned Capt
Winthrop temporarily to Gen Longstreet with
whom he is now serving. I can recommend
Capt W. to the favourable consideration of
the Department as a frank & manly soldier
who desires to serve in the cause of the
Confederacy. Assigned him to Gen Longstreet in
order that he might have an opportunity of
distinguishing himself & winning his com-
mission in battle, but no opportunity has
occurred & I recommend him to the
favourable notice of the Secretary for
a commission.

Secy of War

Sir,

In the latter part of January last ex Captain S. Winthrop of the British Army, brought me a letter from the Hon. Mr. Seddon, with whom I have a partial acquaintance recommending him as an officer or gentleman and as very desirous of doing service in our Army. Capt Winthrop entered Charleston in one of the Steamers from Nassau. Being satisfied of his standing in the British Army, & pleased with his manners & appearance, I placed him on duty in Gen. Longstreet's Corps, to give him an opportunity of proving his qualifications as a soldier. In a letter recently recd from Gen Longstreet, he speaks in commendation of his services, & thinks he would make a good Adjutant Genl. If appointed he could be very useful with the troops on the Blackwater. I have therefore to request that he be appointed ^{Adj. Genl.} Adjutant Genl, with the rank of Captain, that I may assign him to duty with

Capt. E. C. ...

To General John M. Winder, Commander of Military Prisons
in the Confederate States.

The undersigned, Citizens of Tuscaloosa, Alabama, learn
with regret that Captain Elias Griswold is about to be transferred
from the Command of the Prison in this City. The large increase
of prisoners here, present and prospective, makes us anxious that
his successor should possess the prudence, discretion, firmness, de-
cision and energy, which he has exhibited, during his contin-
uance at this military post. We believe that Henry Wirtz, his
efficient assistant, possesses all these qualities, in an eminent degree.
We respectfully recommend him, for that office.
